A LEGO Technic model of a mechanical claw or gripper. It features a central motor or actuator connected to a series of levers and arms. The model is constructed using various LEGO Technic parts, including beams, pins, and connectors. The arms are designed to move in a coordinated fashion to grasp objects.

30

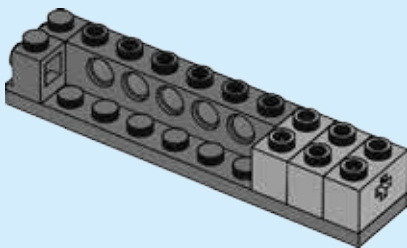

This image shows the completed central structure of the LEGO Technic assembly. The structure is primarily composed of grey and purple Technic bricks and beams. A central black panel features a lightning bolt graphic and the text "VOLTAGE". The structure is flanked by two large, complex assemblies made of purple and grey pieces, which appear to be the "wings" or "arms" of the model. The entire assembly is built on a base of grey and purple bricks. A black arrow points to a specific connection point on the right side of the structure.
